

DISCOVER YOUR NEXT GREAT ESCAPE

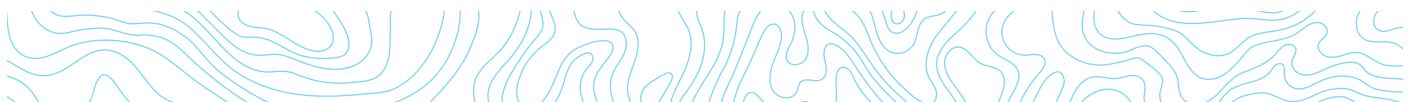

**Your next adventure
awaits with Australia's
most popular brand of
RV's for 47 years, Jayco.**

Underpinning every Jayco is our unwavering commitment to provide all Australians with the opportunity for a safe and accessible option to discover our great country.

Designed and manufactured at Jayco's state-of-the art facility in Dandenong

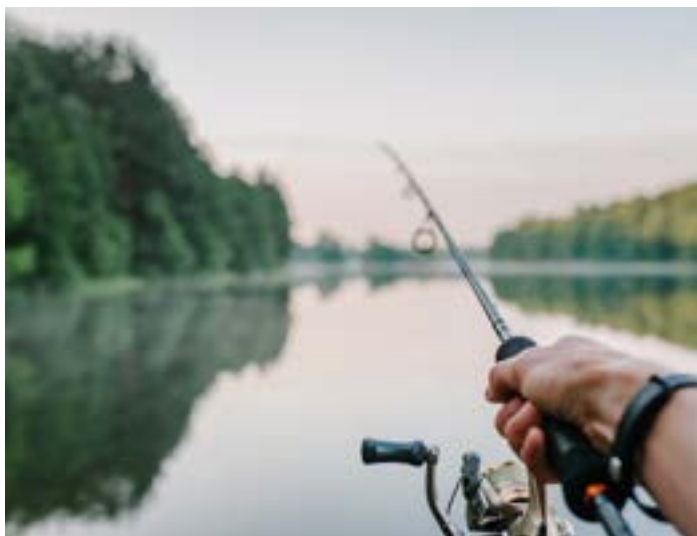

South, Victoria, supported by a network of over 150 service agents and dealers, backed by expert partners and suppliers and best in class engineering, safety and construction specialists so you can travel with confidence knowing you are backed by the best.

FIND YOUR FREEDOM IN A JAYCO

Jayco understands that adventure can come in many shapes and forms, that's why we have a variety of action-packed models ready for your next escape. Caravanning and camping is embedded in Australia's culture. We're a nation that loves exploring the wide-open spaces, getting back to basics and creating a lifetime of memories. Jayco's Adventure range is made in Australia for Australian conditions. Designed for comfort, built to last, Jayco RVs are ready for any adventure.

AS SEEN ON
ALL 4 ADVENTURE

Featuring a generously sized bed with innerspring mattress for a good nights rest and an abundance of overhead cupboard space to maximise the amount you can pack into your next great escape.

Space is maximised with a large compartment underneath the bed a smart storage solution.

16.48-1 CrossTrak

Everything is taken care of with a cleverly designed modern ensuite featuring all the creature comfort you would expect from home, like tanked hot water system.

Enjoy efficient cooling and freezing with an optional 55L fridge /freezer that is easily accessible via an external side hatch.

Keeping cool on hot days is easy with the ultra-quiet and stylish Sirocco Fan.

Outdoor living is at the heart of the CrossTrak with the outdoor kitchen featuring 2-burner gas cooktop, stainless steel sink, overhead storage, towel rail, and ample bench space.

Make the most of outdoor creature comforts and the additional indoor space that a lift up rear lid extending to an ensuite hatch provides plus roll out awning with LED light so you can get the most out of the day and night.

Market-leading hot-dipped galvanised endurance 2.0 chassis and JTECH 2.0 independent trailing arm specifically built to navigate those narrow tracks.

A standard 180W solar panel for charging your 100AMP deep cycle battery.

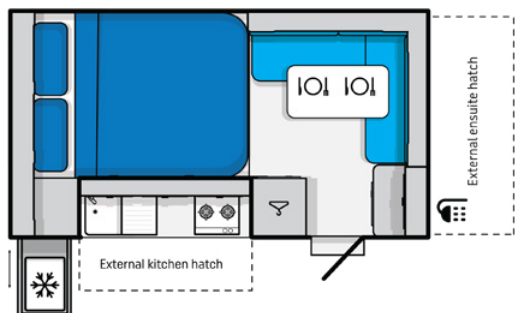

Keep track of your battery, solar and water levels with the phone app battery management system and phone app.

ESCAPE FURTHER

Jayco CrossTrak Hybrid has all the benefits of camping, but comes with all the comforts of home with inclusions such as an air conditioner and a comfortable innerspring mattress.

CONSTRUCTION YOU CAN RELY ON.

JAYCO TOUGH FRAME

Jayco's vacuum-bonded quad-layer wall construction technology is both stronger and lighter than the conventional 'timber & tin' aluminium-clad walls. Built on lightweight aluminium frame for extra strength and longevity, the Jayco Tough Frame provides great thermal and acoustic insulation.

Hail and dent resistant, aerodynamic fibreglass exterior with an easy to clean, high gloss finish.

Aluminium frame - not timber - for extra strength, plus galvanised plating for secure fitment of internal furniture.

External 3mm composite board to increase structural strength.

Internal 3mm plywood board with polyester coating for maximum durability.

Internal high-density polystyrene foam for superior insulation.

Tyre Pressure Monitoring System (Optional some models).

HOT DIPPED GALVANISED ENDURANCE CHASSIS

Lightweight yet super strong. The endurance chassis is hot dip galvanised for extra strength and protection against corrosion.

WIND DOWN CORNER STEADIES

Reduce movement inside your RV with the wind down corner steady.

JTECH 2.0 INDEPENDENT COIL SUSPENSION

The specially designed, high-performance JTECH 2.0 Suspension (available on select models) delivers greater stability, a smoother ride, exceptional handling and increased ground clearance.

SAFETY YOU CAN TRUST

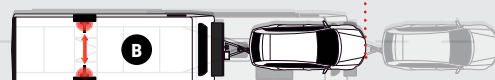

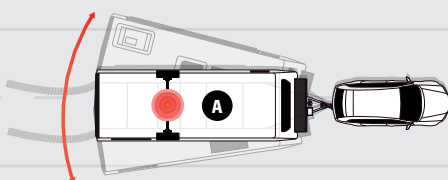

SWAY COMMAND

- A** Critical swerve or sway is detected.
- B** Sway Command® Tow Control partially applies the RV brakes. The caravan is pulled into line behind the tow vehicle eliminating the sway.

STOP WITH CONFIDENCE

Electric brakes proportionally slow your RV as your car slows meaning shorter stopping distance and reduced risk of skids.

SUPERIOR SUSPENSION

Purpose-built to complement the Jayco Endurance chassis, JTECH 2.0 independent coil suspension delivers greater stability, precise handling and increased ground clearance for easy and safe towing.

Each JTECH 2.0 Suspension system includes:

- Electro-coated surfaces for protection against corrosion and stone chips
- Stub axles, bearings and brakes that are suitable for fitment of Lippert Sway command technology
- Aeon rubber springs inside each coil spring, producing a progressive rate when the suspension is compressed
- Toe-in and toe-out adjustment for wheel alignment
- Large diameter, heavy-duty off-road shock absorbers and coil springs designed specifically for Jayco RVs and Australian conditions

EUROSTYLE FURNITURE

Unique to Jayco is the aluminum furniture construction which consists of aluminum extrusions incorporated into the furniture framing to increase strength and durability.

TENT SECTION

Boasting locally sourced and internally hand stitched tent canvas that is made from Australian heavy-duty 14oz canvas and boltiflex; double-stitched for extra durability.

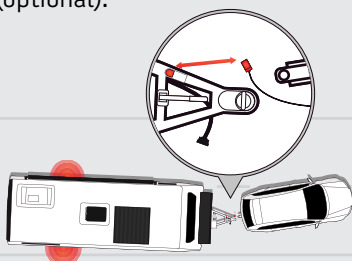

TYRE PRESSURE MONITORING SYSTEM

Featuring sensors that screw onto your tyre wheel stems to detect your tyre pressure and help avoid any uneven wear and tear. Keep track of it all on the handy lippert OneControl® BT phone app. (Optional on some models)

TOW SECURE EMERGENCY BRAKING SYSTEM

If a caravan accidentally separates from the tow vehicle, the system will activate the electric brakes and brake lights (optional).

LESS BLOWOUTS

Nitrogen filled tyre help maintain a constant tyre pressure even in hotter weather, reducing the risk of blowouts.

THE JAYCO DIFFERENCE

**BEST QUALITY RVS
IN AUSTRALIA**

**NATIONWIDE
NETWORK**

**GREAT RESALE
VALUE**

**COMMITMENT TO
INNOVATION**

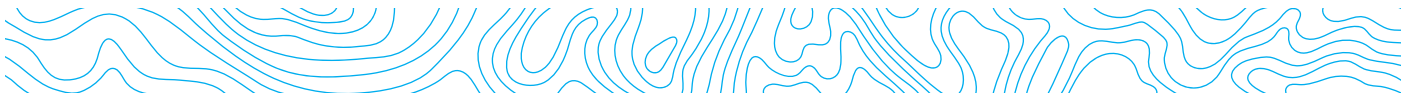

**INDUSTRY LEADING
SUPPORT**

**BEST VALUE
FOR MONEY**

Jayco's commitment to RV excellence provides advantages that sets us apart from the rest. These coupled with innovative advancements, cutting edge construction and safety solutions all as standard, ensures you can be confident you are investing in an RV that will not only meet your needs but exceed them.

VALUE FOR MONEY

Jayco began in 1975, in the garage of a suburban home with an ambition to build a Camper Trailer. Today, Jayco has built and sold more than 225,000 RVS, each equipped with standard features that other brands offer only as options. Buying power and manufacturing efficiency is the key, and why Jayco can pass on these innovations to ensure you are investing in Australia's best value for money RV.

THE AUSTRALIAN MADE ADVANTAGE

As one of the nations most recognised brands for quality and value for money RV's, we are proud to be endorsed with the official Australian made logo.

Passing on the benefits to you as an Australian made manufacturer means you get quality construction from locally skilled specialists, premium componentry sourced from reputable suppliers and an RV built by the largest RV manufacturer in the Southern Hemisphere. Employing more than 1100 employees and supporting a further 900+ local jobs, Jayco proudly remains a locally owned family business.

JAYCO FINANCE FINANCE THE DREAM

Financing your next adventure has never been easier thanks to Jayco Financial Services. Jayco Financial Services offer a variety of loan options tailored to suit your individual needs, such as flexible loan terms, competitive interest rates, no obligation quotes and no fuss approval process. Jayco Financial Services makes buying your Jayco quick and easy.

Jayco Financial services Pty Ltd Credit Representative number 513573 of My Local Broker PTY LTD (Australia Credit License no 481374) Finance will be supplied to approved applicants only (not available to fleet, government or rental buyers), subject to credit assessment and lending criteria. Fees and charges are payable. Full conditions available on application. All images are for illustration purposes only. Features subject to change.

JAYCO PLATINUM INSURANCE PEACE OF MIND IS OUR PROMISE

Jayco Platinum Caravan Insurance provides competitive premiums and market leading cover that is available on all Caravans, Motorhomes, Pop Tops, Camper Trailers and more. Whether you take your caravan on short holidays or year-long travels, Jayco Platinum Insurance can tailor a policy to suit your caravanning needs.
